The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act.

Extension of Time Limits for Preliminary Results

The Department of Commerce (the Department) has received requests to conduct administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof (AFBs) from France, Germany, Italy, Japan, Romania, Singapore, Sweden, and the United Kingdom. On June 29, 1998, the Department initiated these administrative reviews covering the period May 1, 1997, through April 30, 1998.

Another matter has recently placed unanticipated heavy burdens on the Department's limited resources. These burdens are short term; however, they have made it so that it is not practicable to complete the AFBs reviews within the time limits mandated by section 751(a)(3)(A) of the Act. The Department, therefore, is extending the due date for the preliminary results to February 16, 1999. The Department intends to issue the final results of reviews 120 days after the publication of the preliminary results. This extension of the time limit is in accordance with section 751(a)(3)(A) of the Act.

Dated: January 29, 1999.

Richard W. Moreland,

Deputy Assistant Secretary for Import Administration.
